All totaling to **179 textbooks** delivered to KAYDA library

Lukwago Abdu received the textbooks on behalf of the children at KAYDA and expressed his appreciation on behalf of the children from KAYDA to KVU for their devotedness towards education of the Ugandan child and this will improve on their academic performance and the textbooks will be kept in the library at KAYDA.

Impact of the books to the children:

The above books will help the children to learn more practical skills and be able to integrate what they learn in classes in their daily life. These books are going to also help the children basing on the data in the books.
